

Michael Lanahan, Business and Community Solutions Director October 3, 2019

This has been a landmark year for economic development in Missouri

- We saw 35,000 jobs created in the last year our team touched one third of them
- Since July 2018, 209 companies have committed to training over 26,000 Missouri workers through the state's workforce development programs
- According to the U.S. Department of Commerce, we were the **number one** state in the country for foreign direct investment

And...

Following your input throughout last year's Best in Midwest initiative, DED is in a <u>much</u> better position to serve businesses and comunities across Missouri.

Regional Engagement Division Mark Stombaugh, Director

- Serves as the first and primary contact for DED's local partners and business and community customers

Spread the word!

- The State's doing economic development in a new, improved way - there have been a lot of changes, both structurally and substantively
- There are Regional Engagement points of contact in regions across the state

- On behalf of Governor Parson, Director Dixon, and the entire DED team, thank you for the work you do to create opportunities across our state!
- Our state's major economic development successes couldn't happen without your hard work
